

## NEWS FROM THE SUBURBS.

## JERSEY CITY.

It has just been discovered that the "Free Library Act," which was supposed to be adopted at the recent election, was defeated. The act required for its adoption a majority of the votes cast at the election. The number of votes cast was 1,147 less than a majority.

## NEW-JERSEY.

HONORE.—John Jones, age fifty-two, of No. 324 Park-ave., was run over on Friday night by a North Hudson County railway horse car and fatally injured.

ORANGE.—Circulars have been distributed addressed to "Hatters and Hatters' Friends," recommending that a lecture be delivered on "Lies and Truths About New-Jersey," by L. F. Matthews, should not be patronized. The executive committee of the Hatters' Association issued a card yesterday disclaiming all knowledge of the circulars. Last night the boycotters distributed circulars giving a list of boycotted tradesmen and warning mechanics not to trade with them.

PATENT.—The strike in the Barbour Flax Spinning Company's mills continued yesterday, although a small number of the hands returned to work at the advance of 5 per cent offered by Superintendent Seaton. Most of the operatives remained firm in their demand for a 10 per cent advance. Mr. Seaton said that the hands could take their choice between returning to work to-morrow at the 5 per cent advance or getting no advance at all if they returned later. On Friday evening, at the close of working hours, a woman who had gone in to work was set upon when she emerged by a crowd of angry female strikers and badly beaten. Trouble is feared for to-morrow.

## WESTCHESTER COUNTY.

WHITE PLAINS.—Miss Minnie Newman, whose name has appeared in connection with that of John B. Fiske, of Philadelphia, returned to her home on Friday evening, expressing herself to the effect that she had got tired of her association with Mr. Fiske.

YORK.—Robert Strong yesterday found a strange horse in his stable, with a note stating that the horse and saddle belonged to James Roberts, of one-hundred-and-tenth-st. and Sixth-ave., New-York.

## ROCKLAND COUNTY.

SPRING VALLEY.—The Rev. Dr. George R. Brister, whose case has for two years been before the Newark Methodist Episcopal Conference, has been warmly received by his new church. To-day he will address the Rockland County Sabbath-school Association.

## CONNECTICUT TOWNS.

BRIDGEPORT.—The condition of the Rev. Father Kelley, pastor of St. Augustine's Church, who early in the week was attacked with pneumonia, is dangerous.

## WHEAT BAKING POWDER

Professor Von Liebig once said: "Speaking of baking powder that a material for baking should be made which would add to the bread the elements lost to the flour. Messrs. Minneapopolis have succeeded in producing a baking powder which, in the opinion of Professor Minneapopolis, of Yale, possesses the properties recommended by Von Liebig. It restores to the bread the potassa and magnesia salts which the milling removes from high-grade flour. It is also entirely free from those injurious salts which are often found in ordinary baking powder. This new invention is called WHEAT BAKING POWDER, and makes bread and biscuits that dyspeptics can eat. (N. Y. Tribune, Nov. 17.)"
